POLICY WORDING

TERMS OF COVER

If **Your** claim is accepted under this insurance, **We** will appoint **Our** panel solicitors, or their agents, to handle **Your** case. **You** are not covered for any other legal representatives' fees unless it is necessary to start court proceedings or a **Conflict of Interest** happens. Where it is necessary to start court proceedings or a **Conflict of Interest** happens and **You** want to use a legal representative that **You** choose **Yourself**, **We** will not pay **Advisers' Costs** that are more than (a) **Our Standard Advisers' Costs**; or (b) the amount recoverable under the Civil Procedure Fixed Recoverable Costs regime, whichever is the lower amount.

The insurance covers **Advisers' Costs** as detailed under the separate sections of cover, up to the **Maximum Amount Payable**, where:

- a) The **Insured Event** takes place in the **Period of Insurance** and within the **Territorial Limits**
and
- b) The **Legal Action** takes place within the **Territorial Limits**.

This insurance does not provide cover if something **You** do or fail to do negatively impacts **Your** position or the position of the **Insurer** in connection with the **Legal Action**.

To benefit from any section of this policy, **You** must reside within the United Kingdom, Channel Islands and Isle of Man

IMPORTANT CONDITIONS

If **You** claim is covered under this insurance, and no exclusions apply then it is vital that **You** comply with the conditions of this insurance in order for **Your** claim to proceed. The conditions that apply to this insurance are given in the 'Conditions' section below and should be read carefully. Some of the main conditions that apply to this insurance are:

Prospects of Success

There must be a 51% or higher chance of winning the **Legal Action** and achieving a positive outcome. A positive outcome includes, for example, recovering the amount of money at stake, enforcing a judgment or achieving an outcome which is in **Your** best interests. **Our** claim assessors will examine the facts of your case to assess your chances of winning. If they conclude **Your** chances of winning are less than 51%, **We** won't be able to support your claim.

Proportional Costs

An estimate of the **Advisers' Costs** will be provided with the assessment of **Your** claim and must be carried out by the **Adviser**. If the estimate is more than the amount in dispute, then **We** might decline or stop giving support for **Your** claim.

Giving the Insurer all the important information

If **You** are a private individual the following applies to **You**:

When the **Insurer** accepts **Your** application for this insurance, it will rely on the information **You** give. **You** must take reasonable care to provide complete and accurate answers to the questions asked when **You** take out, or make changes to, **Your** policy. If the information provided by **You** is not complete and accurate the extent of cover may be affected and:

- the **Insurer** may cancel **Your** policy and refuse to pay any claim or
- the **Insurer** may not pay any claim in full.

We will write to **You** if the **Insurer**:

- intends to cancel **Your** policy; or
- needs to amend the terms of **Your** policy; or requires **You** to pay more for **Your** insurance.

If **You** become aware that information **You** have given is incomplete or inaccurate, **You** must inform **Us**.

If **You** are part of a partnership, a sole trader, a limited company or other legal entity the following applies to **You**:

Your Duty of Disclosure

Under the Insurance Act 2015 **You** have a duty to make fair presentation of the risk to the **Insurer** before this policy starts, at each renewal and when **You** make any amendment(s) to cover.

This means **You** must:

- (a) disclose all material facts of which **You** know or ought to know.
- (b) make the disclosure in a reasonably clear and accessible way.
- (c) make sure that every material representation of fact is substantially correct and made in good faith.

What is a Material Fact?

A material fact is Information that would influence the **Insurer's** decision as to whether to insure **You** and, if so, on what terms.

For the purposes of the duty of fair presentation, **You** are expected to know the following;

- (a) If **You** are an individual (such as a sole trader or individual partner):
 - what is known to **You** and anybody who is responsible for arranging this insurance, orif **You** are not an individual (such as a limited company or partnership):
 - what is known to anybody who is part of **Your** organisation's senior management (this means those people who play significant roles in the making of decisions about how **Your** activities are to be managed or organised or anybody who is responsible for arranging this insurance.
- (b) what should reasonably be revealed by a reasonable search of the information available to **You**. The information may be held within **Your** organisation (including, but not limited to, subsidiaries, affiliates, the broker or any other person who will be covered under this insurance. If the insurance is intended to insure subsidiaries, affiliates, or other parties, **You** are expected to have included them in **Your** enquiries and inform **Us** if **You** have not done so. The reasonable search may be conducted by making enquiries or by any other means.

Breach of duty

If **You** breach **Your** duty to make fair presentation of the risk to the **Insurer**, then:

- where the breach was deliberate or reckless, the **Insurer** may avoid this policy, refuse all claims and keep all premiums paid.
- where the breach was neither deliberate nor reckless and, but for the breach, the **Insurer** would not have agreed to provide cover under the

policy on any terms, they may avoid this policy and refuse all claims, but **they** will return any premiums paid.

- where the breach was neither deliberate nor reckless and, but for the breach, they would have agreed to provide cover under this policy but on different terms (other than premium terms), they may require that this policy includes such different terms with effect from its commencement, and/or
- where the breach was neither deliberate nor reckless and, but for the breach, the **Insurer** would have agreed to provide cover under this policy but would have charged higher premiums, the **Insurer's** liability for any loss amount payable shall be limited to the proportion that the premium charged bears to the higher premium that would have been charged.

For example: if, due to a breach of fair presentation, **You** were charged a premium of £x but should have been charged £y, then for any claim submitted and agreed at a settlement value of £z, **You** will only be paid £a.
